# Paving the Bare Spots To Build a Muggle Pensieve
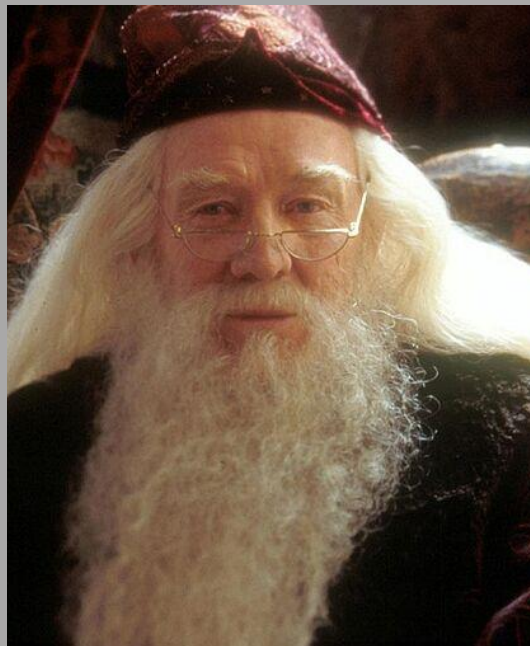

Pensive + Sieve

Magical object for storing and sifting thoughts and memories

Muggle?

← Wizard
(Real magic powers)

Muggle →
(No real magic powers)

Pave bare spots?

Find what is

already working, make improvements and document to build a system that fits naturally

Collecting my thoughts

⌨️

The trouble with writing things down

Where should this go?

⌨️❓

Where did I put that??

One notes file

- New sections go at the top
- *One* place to write
- *One* place to search
- Archaeological layers
- Write now, right place later

Notes.md

One repository

bjh-edx-pensieve

- Backup, versioning, organization
- Private repo
- Share useful stuff - even before it's "ready"
- Transparency
- Keep it a sandbox - rough is OK
- Start to organize, but don't stress

Let's see it!
